dyad pdf
In music, a dyad (less commonly, doad) is a set of two notes or pitches that, in particular contexts, may imply a chord. To understand dyads it is necessary first to understand the intervals between the notes. Take the notes C and E for example; we know that the interval between these two pitches is a major third, which can imply a C major chord (C E G).

Dyad (music) - Wikipedia
In sociology, a dyad (from the Greek: δύας dyás, "pair") is a group of two people, the smallest possible social group. As an adjective, "dyadic" describes their interaction. The pair of individuals in a dyad can be linked via romantic interest, family relation, interests, work, partners in crime, and so on.
